What does a CG Leader do?

They create a safe & predictable environment where people can experience authentic community & spiritual growth. CG Leaders find intentional ways to care for group members outside the meeting time.

Who will be in my Community Group?

As the leader, you are encouraged to pray about who God might be prompting you to invite. If after inviting people into your group, you'd like more people to join, FCCHB can help connect people who are looking for community to be a part of your group.

What will my group time look like?

Community Groups are most successful when they're Gospel-Centered by reading scripture & prayer. Practical Steps:

- *Open meeting time in prayer*
- *Gospel-Centered conversation: usually involves Scripture*
- *Invite other group members to pray at the closing of your meeting*

How will I be supported as a CG Leader?

You can expect 2 annual group leader trainings per year. We'll also have regular CG leader check-in events where you can learn about resources, updates, & find support with other leaders. FCCHB staff are always available to answer questions & provide encouragement.
